

# **MICROBIOLOGY 'STAY HOME' ART CONTEST**

Congratulations to our 1<sup>st</sup> Place Winner!

**Heba Saleh**

*Dental Class of 2023*

# 1<sup>st</sup> Place: Heba Saleh (Dental Class of 2023)

“I decided to combine my love for baking and making edible decorations into a microbiology themed dessert. I made some vanilla sugar cookies, topped with fondant and hand-painted bacteria (with edible paint of course) to resemble views from the microscope.”

# Runners Up

No particular order.

Thank you all for your entries

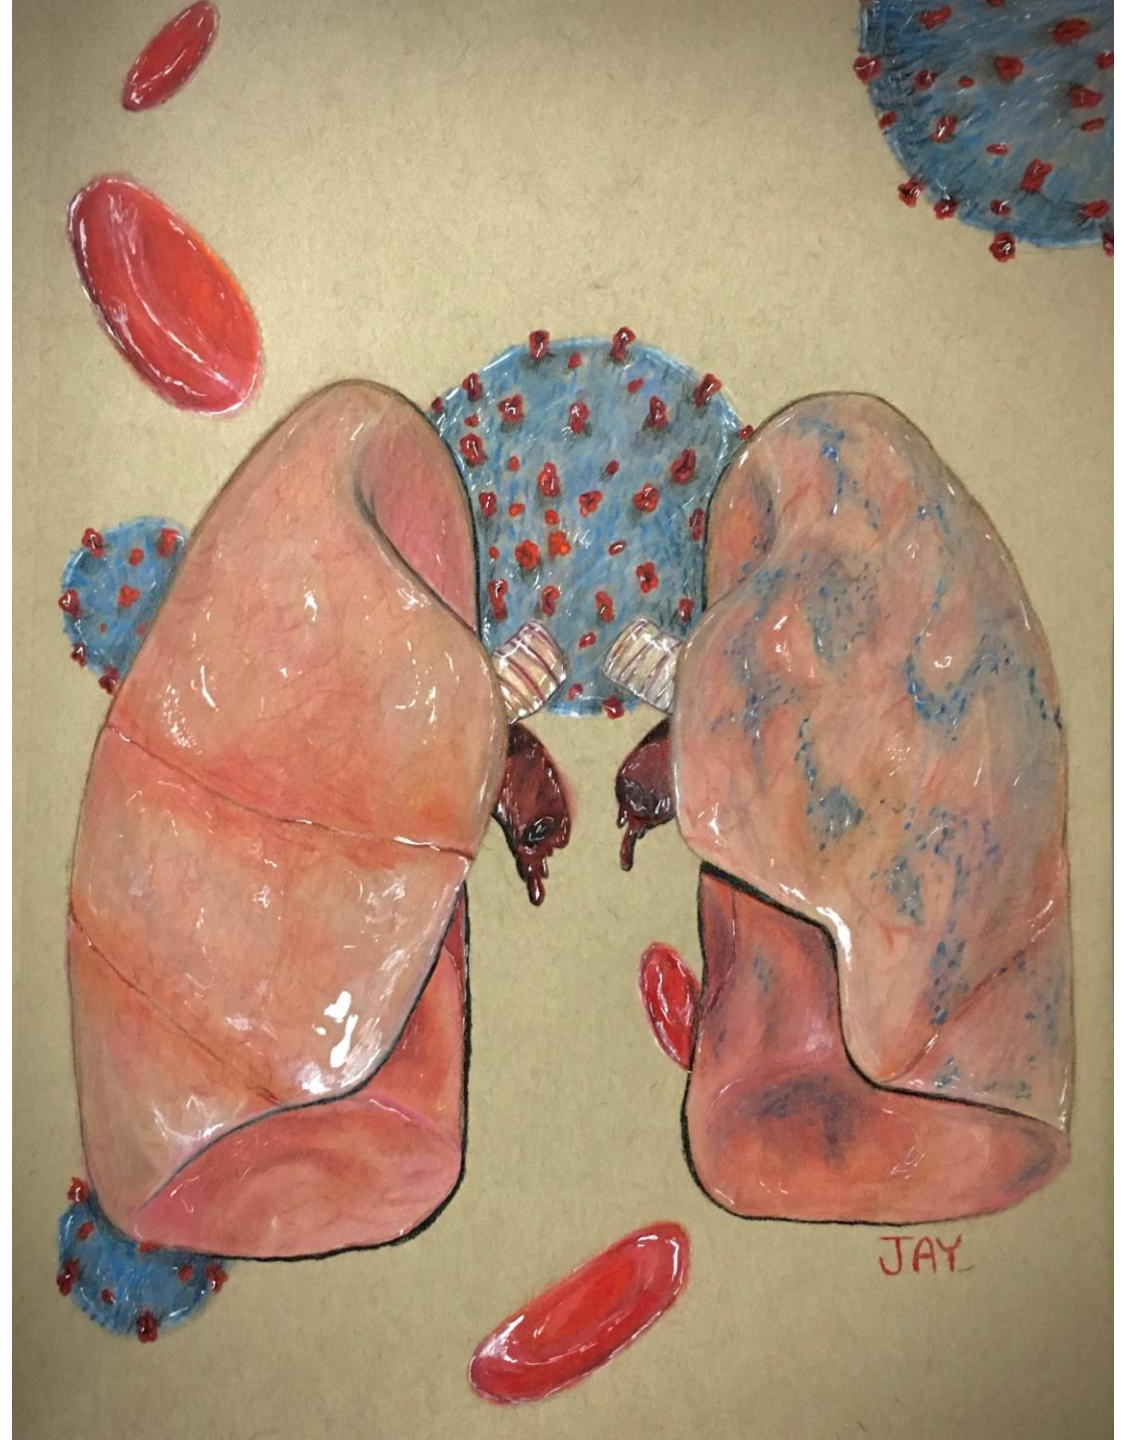

They were/are amazing and I am so impressed with your talents

# Jay Patel (Dental Class of 2023)

“I used Prismacolor Premier colored pencils and an odorless solvent to blend for a smooth finish.

I also used a white gel pen for highlights. The 3D effect of the drawing is exaggerated by the black color shadows.”

“I had this funny idea in my mind. However, it is not biologically accurate.”
