*A Hope for 2021 - This is a dessert that my daughter and I brainstormed and created together. I said we should make a virus. She responded, Yeah! We should make the virus sick! So she drew up our blueprint and we made a sick, feverish, SARS-CoV-2 sugar cookie after it got a dose of an mRNA vaccine.*

*Sweeter-Wonderland Vanilla Cake with Vanilla Frosting Garnish of M&Ms Non-Edible Flower White snow*

Alex Rosu

*My dessert is literally a sweet tooth. It's a rendition of an extracted maxillary molar made out of vanilla bean sponge cake and Italian meringue buttercream. Also included is a red velvet necrotic pulpal chamber full of sprinkles; I know it sounds appetizing.*
